Lakeshore GS Troop 8043

As part of our Junior Scribe Badge, each girl selected an event, activity, or badge to write a summary about. That highlighted their favorite parts and shared details on the event. Enjoy!

Cookie Booths

Alexa D.

The cookie booth is where you sell cookies and earn money for your troop. This year we were earning money for a trip to Discovery World and collect donated boxes for local Veterans. You make decorations and set up a little stand where the troop sells cookies. The booth can be indoors or outdoors. So a couple girls can go at a time and you decide as a troop who will ask people if they want to buy cookies or donate a box. We took turns asking and collecting money. You work as a team, so no girl is left out. You sell as much as you can to earn money to reach our goal.

(Editors note: All girls were able to help with the cookie booths in some way: some helped make decorations, some worked the sale, some did both. Our troop sold over 20 cases of cookies to earn an overnight at summer camp in August!

Summer GS Camp 2018

Lexie G.

For the summer, Girl Scout Camp activities were all very fun and if I had to pick a favorite it would probably be archery. We went to Camp Evelyn for the first time over night and we stayed for two nights. One of the activities we did was crayon melting and it was very fun for most of us. It was the first time we did it and we also did archery. A lot of people loved archery and we had a lot of great scores. We also learned camping skills. We learned how to navigate a compass, learned how to use a map, and we also built a fairy house in pots using rocks and things around. We also went in Crystal Lake to go swimming and we also went kayaking and paddle boarding. We also did a craft. We made an American flag with ribbon and fabric. But it was really fun for all of us and I would for surely love to do it again.

Fall Overnight at Camp Evelyn

Eva L.

Going to camp was really fun! One of the most important things that I was joyful about was that all girls made it! So we had fun without anyone missing out! In the cabin there were games, so we could play with them, there were 2 bathrooms, for all the girls, there was a kitchen, and dining table, a couch, and a TV. There was also a space for us to lay our beds down and go to sleep.

Our leaders promised us we could do cookie making! We went into groups and decided if we wanted to make M&M cookies or chocolate chip cookies. Then, with the help of our leaders, we would make, bake, and cool the cookies. We each got to eat one cookie that night, after it cooled off of course. The next day, we all took 2 cookies home.

We also did makeup! People brought nail polish, lipstick, eye shadow, mascara, and all sorts of stuff! We asked people to help us with makeup, and we all looked GREAT after the makeover!

I personally think that the movie, popcorn, and hot cocoa was the best. We all got at least 1 bowl of popcorn, and a cup of hot chocolate. We could decide whether we wanted marshmallows or a peppermint to go with the hot cocoa.

Disney on Ice

Caroline M.

In February Girl Scouts had the opportunity to attend the Disney On Ice Show, 100 Years of Magic at the Resch Center in Green Bay.

The skaters performed skits from Finding Dory, Frozen, Beauty and the Beast, Aladdin, Toy Story and Mulan.

Also songs from Pinocchio, Rapunzel, the Princess and the Frog, The Little Mermaid and the Lion King were sung and skated to.

Girl Scout Cookie Sale

Lillian B. (and mom for numbers and details)

This year our troop had a blast selling cookies! We held booth sales at Festival Foods and each girl sold to family and friends. Each girl's goal was different, but everyone earned their participation cookie fun patch for selling 25 boxes.

We had 2 new cookies this year: S'mores and Toffee Tastic. My favorite was the Toffee Tastic. Our top cookies sellers were Lillian with 913 boxes of cookies. Morgan sold 357 boxes, Mikaela and Lexie sold 250 boxes, and Abby also sold over 200 boxes of cookies.

Our donated boxes this year went to local Veterans. The money we earned went towards fun things like camp and a trip to Discovery World this summer.

Fun Facts (editor's note)

- 132 boxes of cookies were donated to local Veterans
- 14 girls sold 2616 boxes of cookies
- 246 boxes were sold at our cookie booth about 5 hours
- Girls sold an average of 204.4 boxes... to earn a trip to Kalahari
- Our troop's total sales were \$11,888
- Our troop profited \$2,146.50

Drawing Badge

Bella D.

When we were working on the drawing Badge we put an apple in front of us and we drew and shaded the apple drawing.

Next we used cardboard, paper, and regular paper and used different drawing materials. These materials were chalk, charcoal, and oil pastels. Then we picked different things, one of mine was wax paper and charcoal. I thought the wax paper looked really cool.

Then we drew lines, trees, birds, clouds, buildings, and erased the lines except for two and it look like you were in a car driving in a city.

New Girl Scouts!

Abby H.

This year in Girl Scouts we have four new Girl Scouts. Our new Girl Scouts are Morgan, Aislyn, Bella, and Alexa. ALL of the new Girl Scouts think that Girl Scouts is fun this year and would like to join again next year. Now I will tell you a little bit more about the new Girl Scouts. I asked them each a few questions, here are some of them and there replies.

Q-Why did you want to join Girl Scouts?

A-People already in the troop got me interested. They also explained the fun activities they did in Girl Scouts that made me want to join.

Q-If you could be in Girl Scouts again next year would you or would you not and why?

A- Families are almost positive they will join again next year and are excited.

Q- What are some things you liked and are looking forward to in Girl Scouts?

A- Here are some badges the new Girl Scouts liked earning this year: Art Badge, Cookie CEO, Cookie selling, Detective Badge, Drawing Badge, Music Badge, Painting Badge, and last but not least the Peeps patch. Here are some other activities the new Girl Scouts are looking forward to enjoying: Bronze Award, Camp, and Field trips.

Girl Scout Dance – Under the Sea

Aislyn T.

The Girl Scout dance was so fun. There's so many cool things there! I mean you can buy tickets, and then there's a whole bunch of cool little trinket fun toys that you can buy from the tickets. For example, a little mini sparkly pouches or slap bracelets, light up hair accessories, jewelry and many other things like that. You can even get food and treats for your tickets. You could also make some fun things too.

And then for the dance, that was really fun you could free dance for a lot of the time, but most of the time we did certain dances with people. And that was pretty much it.

Supreme Champion: 4-Anna Lindwall

Worthy Adversary: 3-Madeline Warner

Maybe Next Time: 4-Elena Lindwall

4th place: 4-Eva Lin

Raingutter Regatta

Frida Sofia B.

This year, like every year we did the rain gutter regatta. That was a really fun activity that our leaders prepared for us. We got to make our own boat. That was a really fun thing. There was a contest on the coolest boat. The most colorful and a lot of other things. The leaders also got some prizes for us. I think that everybody should be very thankful of that. Some people got a big prize, some people got a really small prize. The cool thing and important thing is that we did the rain gutter regatta, and everybody was happy. The winner was Anna! I bet she was really tired after that! I really liked the raingutter regatta, did you?

Escape Room

Kaeley P.

This year our troop went to Escape Oshkosh. An escape room is when you get locked in a room and have to solve clues to open keys and get out. Our troop was divided into groups. One group went to the Tomb, and the other went to the Carnival. You had to work together to help you team escape within the one hour limit. We didn't make it out... but we were close!

Detective Badge

Morgan C.

The police officer (SRO at FdL High School) came to Girl Scouts for this meeting. He talked about our safety and how to earn a detective badge. We got to try to trick our friends with tricky codes. We also got to make finger prints of ours and got to study them. It was interesting to learn a little about their jobs.

Other fun...

Spectrum

Holiday Party

Peep Badge

Music Badge
