There is simply nothing like it

Take a deep breath. Catch the scent of pine cones mixed with roasting marshmallows, and you are ready for your summer camp adventure.

There are leaves to rustle through, water to plunge into, and trails to explore. There are campfire stories that will make you laugh and shiver, like the night air causing you to snuggle deeper into the warmth of your sleeping bag ... drifting off to dream of the fun you'll have tomorrow.

At summer camp you can come for the day, for three, five, or even 12 nights. You can bring a buddy or come on your own, but in no time you will know all the girls in your camping unit just like your friends back home. That is just the “nature” of summer camp - friends made summer after summer often become your friends for life. You might even come to camp with your whole troop or with your favorite adult!

I'm **Daisy** - the Director of Camp & Program! This will be my fourth summer as the camp director. Can't wait to see you at Camp Evelyn or Camp Manitou this summer!

Life at Camp

Delicious Meals

There is nothing like activity and fresh air to make a girl HUNGRY! Camp meals and snacks are healthy and are foods kids like. Most meals are prepared by our cooks and are eaten in the dining hall. You will also cook at least one meal yourself outdoors.

Some of the foods we eat at camp are: French toast sticks, eggs, walking tacos, mac and cheese, grilled cheese and tomato soup, and pizza pudgie pies. Plus there's always plenty of fruit, veggies and dip, and salad!

This is our head chef Eve's fourth summer at Camp Evelyn, and she can't wait to see you

in the dining hall this summer!

Sweet Dreams

You will sleep on cots covered with mosquito netting in tents set up on raised platforms or in cabins. Blankets, pillows, sleeping bags, sheets from home, and maybe even a favorite stuffed animal will make your cot comfy and cozy. Counselors sleep in tents or cabins that are VERY close by, but not in the same tent or cabin as you. Decisions on what unit you'll call home for your time at camp will depend on how many girls are at camp that week, your age, the camp session, and availability of our units.

Hi! I'm Sunny and I'll be one of your counselors this summer!

Willow here! Can't wait to see you at camp!

Kapers

Kapers are chores. It is important in Girl Scouting to learn that everyone must do their share. In small groups you will take turns doing kapers like setting and clearing dining hall tables, sweeping, raising and lowering the flag, keeping your tent or cabin mess-free, and helping camp be as beautiful as it can be.

Three Varieties of Camp Fun

All Camp Action

You'll love the magic that comes only from a large group all together. So a few times per week the whole camp gets together for talent shows, dance parties, campfires, games, scavenger hunts, pool parties, guest presenters, and more!

Unit Unity

The girls who live together in your camp community, called a “unit,” are close to your age and become your closest friends. Together you might stay up late, share stories before bed, cook your dinner over the fire, conquer an obstacle course, jump in the lake, play games, laugh like never before, or inspire each other with unique art projects.

Individual Adventures

Each of you are special with unique talents and interests. Every day you will get to choose activities that are open to girls from the entire camp. This allows you to make new friends and to try different activities like archery, stand up paddle boarding, kayaking, log rolling, river stomping, games, and so much more.

Get excited for camp with this tasty treat! Campfire S'mores Trail Mix:

Ingredients:

- 1 box honey Teddy Grahams
- 5 oz mini marshmallows
- 5.75 oz chocolate chips

Directions:

1. Add all ingredients to a mixing bowl. Stir until evenly combined.

Make it your own!!

- Add pretzels or peanuts for a salty and sweet treat!
- Add dried fruit for a unique taste!
- Melt chocolate and drizzle all over!
- Use different cereals too!

Camp Store (Canteen)

The Camp Evelyn store (Canteen) is bursting with camp goodies including t-shirts, stickers, water bottles, toys, additional activity items, snacks, and more. Prices vary from \$1 to \$30 so there is something for everyone! All Camp Evelyn campers will have the opportunity to visit the Canteen at least once during their session, including Camp Evelyn day campers. See below for a sneak peek of some items that will be in the Canteen this summer!

HEY PARENTS! Help your daughter bring her camp memories home by depositing funds into her camp store account when you register for camp, anytime before camp, or during check-in. Cash, check, credit card, gift cards, and program credits earned in the cookie sale are accepted in the canteen. Any remaining balance at the end of the camp session can be donated to camp or will be refunded to you following the camp session.

Let your daughter know you will be thinking of her with a camp care package! Care packages are purchased when you register and are given to your daughter on her first day at camp. This year's care package costs \$40 and contains: tie-dye backpack, plush animal, waterbottle, notebook, sunglasses, and a visor. All items are customized for our camps.

Parent Checklist

Alright, so you signed your daughter up for camp this summer, and she cannot wait for camp. What should you do next to help her (and yourself) get ready for her time at camp?

- **Talk about camp together.** The more both of you talk about camp, the more comfortable you will be when it's time for her camp session. See what questions she has, what she may be nervous about, and what she's looking forward to most.
- **Help her pack for camp - but don't just do it for her.** Life at camp will be much easier if she knows what she has and where to find it. It'll be great practice for when she's packing to come home at the end of camp.
- **Become familiar with camp.** Visit camp and take a tour at our spring camp events. We also have virtual tours you can watch. Seeing camp with your own eyes will help you both feel more comfortable with camp.
- **Send her off with a smile!** Your attitude about summer camp has a huge influence over how she will view the whole endeavor. If you are excited for her and have nothing but positive things to say, chances are she will feel the same way.
