Terms and Conditions for Parents/Guardians of Girl Scouts
Effective July 30, 2014
Updated August 10, 2022

Welcome to the Digital Cookie® program! Parents/Guardians must agree and adhere to the below terms and conditions ("Parents/Guardians Terms & Conditions") in order for their Girl Scout to participate in the Digital Cookie program.

The Digital Cookie program is an opportunity for your Girl Scout to create her own Digital Cookie site where her customers can purchase cookies online. Girl Scouts will also be able to download the Digital Cookie mobile application which will enable Girl Scouts to access the Digital Cookie platform to process cookie orders via a smartphone or tablet (the "Digital Cookie Mobile App"). Girl Scouts will also learn and practice the five business skills (goal setting, money management, people skills, decision making, and business ethics) in a modern digital setting.

In addition, because your Girl Scout will be involved with managing and entering information associated with the program online, please carefully review the Privacy Policy before agreeing to these Parents/Guardians Terms & Conditions.

Your agreement to these Parents/Guardians Terms & Conditions constitutes your consent to the [Privacy Policy](#) and consent that your Girl Scout may participate in the Digital Cookie program.

I will keep my Girl Scout safe during her participation in the Digital Cookie program:

- I will review the [Girl Scouts Digital Cookie Design](#), [Computer Online Safety Activity Checkpoints](#), and [Girl Scout Terms & Conditions](#) and ensure my Girl Scout understands the program and the risks associated with participating in the program.

Girl Scout does not comply with the [Girl Scouts Digital Cookie Design](#) or any of the materials referenced therein, including the [Terms & Conditions](#), my Girl Scout's participation in the Digital Cookie program may be terminated.

☐ I, Christine Williamson, accept the Terms and Conditions.

Register your Girl Scout to participate in Digital Cookie. She'll get access to the Digital Cookie Platform where each Girl Scout can set up her cookie site and goals, manage orders and learn marketing business skills.

Girls 13 and older can add their own email address. This allows them to manage details for their cookie site.

Girl Scouts who are 13 or older, have the option to use their email address to manage most of the Digital Cookie site. Caregivers can simply enter the Girl Scout's email address on this screen in order to send an email to the Girl Scout inviting her to complete the registration process. (See "[Site Registration-Girl Scout 13 and Older](#)" tip sheet for instructions.)

Girl Scouts under 13 will login in partnership with their caregiver and do not need a separate email address.

After activating the Girl Scout(s) click the "Access Site" button to go to the Digital Cookie home page. Bookmark this site or save your registration email confirmation to access Digital Cookie at any time.
