

Sensitive Issues Permission Form

Instructions:

1. Troop advisor completes top half of form.
2. Parent completes bottom half of form and returns to troop advisor prior to activity.

Troop # _____ is planning a program/activity dealing with the subject of _____ . It is our role as Girl Scout advisors and adults to provide information rather than to advocate a particular point of view in dealing with this subject. The information is provided to help your daughter make informed decisions now and in the future.

Name(s) of presenter(s) _____

Credentials of presenter(s) _____

Agency affiliation of presenter(s) _____

Brief outline of material to be presented:

Location of activity _____

Date and time of activity _____

Your daughter will be encouraged to share the information with you. Her participation is encouraged but not required.

Troop advisor signature _____ Phone () _____

DETACH AND RETURN TO _____ BY _____

My daughter _____ has permission to attend

Troop # _____ program on _____ Yes No

I understand that the role of the troop advisor and the presenter(s) is to provide information rather than to advocate a point of view. The information is provided to help my daughter make informed decisions now and in the future. I will encourage my daughter to share the information with me. If she seems ill or indicates that she is concerned about the activity, I will keep her home.
